BARS

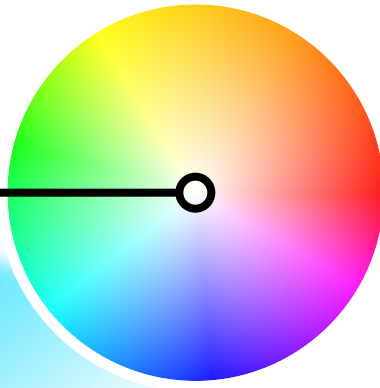

PROFESSIONAL, STYLISH BARS TO SUIT EVERY VENUE & THEME. OUR BARS ARE FAST TO SET-UP AND REMOVE, THEY LEAVE NO MESS AND CAN BE CONFIGURED & STYLED TO MEET YOUR NEEDS.

STYLES & THEMES

High intensity LED panels can be set to any colour.

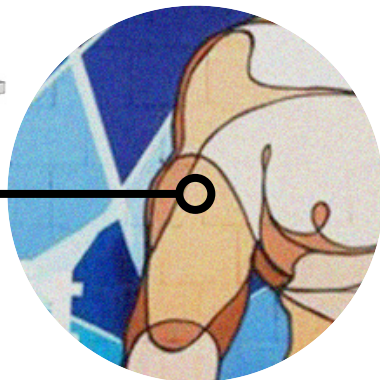

LED

Great for attracting attention particularly in dimly lit spaces. Our LED bars can be set up to cycle through a range of colours or remain a single colour to match your lighting theme. They also work well with vinyl branding.

CLASSIC

Our classic range of bar fronts not only look the part, they feel the part too. Constructed from solid materials gives them an authentic purpose built feeling which leads to them being mistaken for a permanent fixture on a regular basis. We have a wide range available from distressed wood and luxurious leather to polished mirrors.

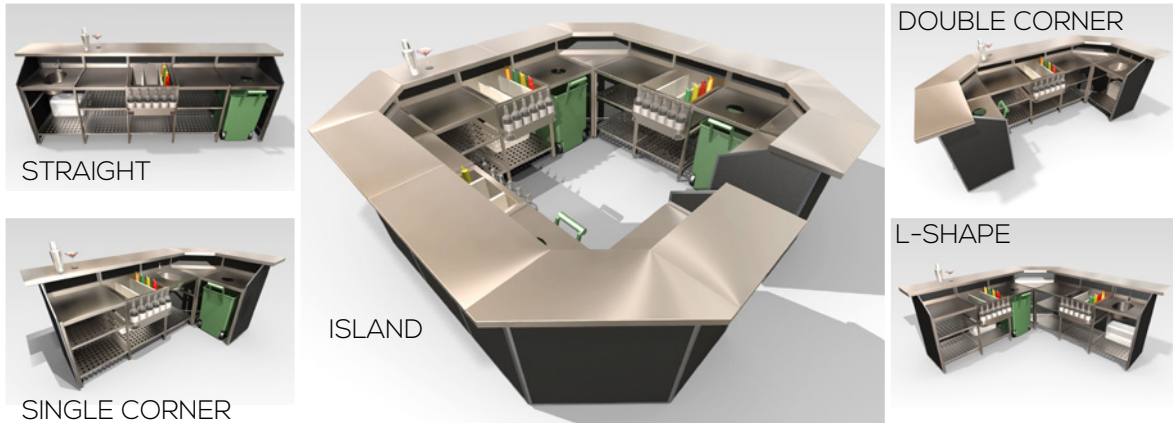

Photorealistic graphics that create an impact.

HD

Our most popular range of bar-fronts allow you to create the perfect themed bar. We have a wide range of designs already in stock and are able to create bespoke designs from scratch. They also feature optional LED backlighting which really makes the bar stand out.

SIZE & CONFIGURATION

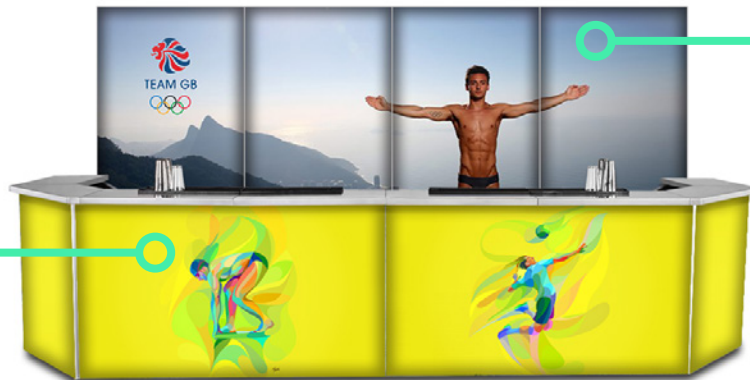

All our bars come in two meter sections allowing us to build the right bar for each venue and event service requirements. They are purposely constructed and set-up with all the facilities required to deliver a professional and efficient drinks service.

DESIGN & BUILD

BAR PANELS

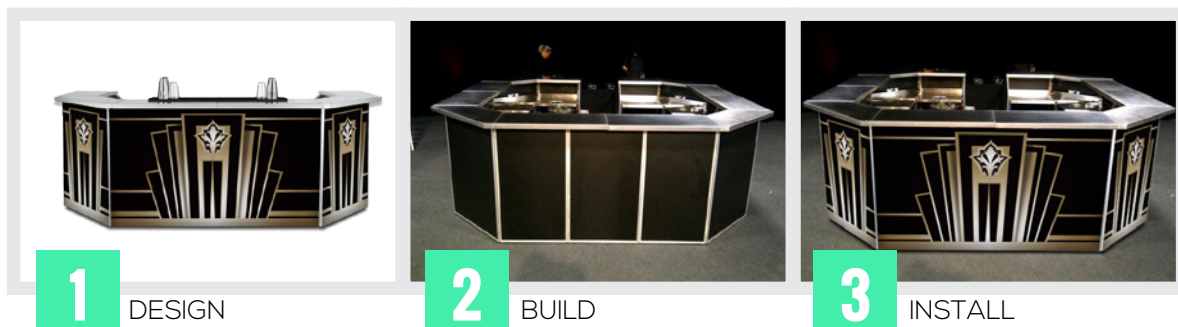

Choose a style from our stock collections or let us create a unique HD bar to match your event theme.

FREESTANDING HD PANELS

Our range of freestanding HD panels really help complete the look. They can be placed behind the bar or elsewhere in the venue and we can create bespoke designs for these too.

A SIMPLE DESIGN AND BUILD PROCESS FROM INITIAL REQUEST TO FINISHED BAR.
